Offer available for a limited time within Rogers cable and Smart Home Monitoring service area (where technology permits) to new and existing customers subscribing to Ignite Internet Gigabit and Flex 20+ or above and Protect Smart Home Monitoring Plan or above. Subject to change without notice. Data usage subject to Rogers Terms of Service and Acceptable Use Policy. See [rogers.com/terms](http://rogers.com/terms) for full details. Rogers reserves the right to remove bundle benefits if services are changed or cancelled resulting in you no longer being eligible. Discount applies to monthly service fee for core services only. Additional add-ons (e.g. TV theme packs, etc.) and pay-per-use rates are subject to change and do not qualify for the promotion. \*Taxes extra. One-time installation fee of \$149.99 applies. The credit will be applied monthly off the current price for the duration of the promotional period. The current price is subject to any applicable rate increase during or after the promotional period. \*\*Taxes extra. A \$99 installation fee applies (additional install fees may apply for professional install of optional add-ons). See [rogers.com/smart](http://rogers.com/smart) for details. An Early Cancellation Fee ("ECF") applies if customer cancels eligible Internet service and/or Smart Home Monitoring plan prior to end of 2-yr term. EARLY CANCELLATION FEE (applicable to term commitment customers only). Only the value of the economic inducement you were granted will be used to calculate the ECF. Your economic inducement is confirmed in the Order Confirmation delivered to you under separate letter. An ECF applies if you were given an economic inducement, and if, for any reason, your Service or your new term is cancelled before the end of your Service Agreement Term. The ECF is equal to your economic inducement multiplied by the number of months remaining in your Service Agreement Term divided by the total number of months of your Service Agreement Term (plus applicable taxes).<sup>1</sup> Speeds may vary with internet traffic, server gateway/router, computer (quality, location in the home, software and applications installed), home wiring, home network or other factors. See Acceptable Use Policy at [rogers.com/terms](http://rogers.com/terms). An Ethernet/wired connection and at least one additional wired or wireless connection are required to reach maximum download speeds of up to 1 Gbps for Ignite Internet Gigabit. <sup>2</sup> Separate Netflix subscription required. <sup>3</sup> One-time Ignite Home Phone installation fee of \$49.99 will apply if the service is installed separately at a later date. Existing Rogers Home Phone customers who subscribe to a Rogers Ignite bundle must switch to the Ignite Home Phone service (activation optional) and existing home phone service will no longer be available. Certain features not available with Ignite Home Phone service, including TV call display, distinctive ring, battery back-up, auto connect, foreign exchanges and multiple lines. In the event of a power or network outage/disconnection, you will not be able to make any voice call, including Emergency 9-1-1 calls with your Ignite Home Phone service Rogers Infinite data plans include 10 GB, 20 GB or 50 GB of data at max speed on the Rogers network, extended coverage areas within Canada, and Roam Like Home destinations (see [rogers.com/roamlikehome](http://rogers.com/roamlikehome)). 5G access included at no extra charge until March 7, 2021. 5G access requires a 5G-enabled device in an area where there is 5G coverage (see [rogers.com/coverage](http://rogers.com/coverage)). Once you have reached the max speed data allotment of your plan, you will continue to have access to data services with no coverage beyond the max speed data allotment at a reduced speed of up to 512 kilobits per second (for both upload and download) until the end of your current billing cycle. Applications such as email, web browsing, apps, and audio/video streaming will continue to function at a reduced speed which will likely impact your experience. We will send you a text message notifying you when you have used 90% and 100% of the max speed data allotment included in your plan with the option to purchase a Speed Pass to add more max speed data to your plan. Plan requires registration for online billing. In all cases, usage is subject to the Rogers Terms of Service and Acceptable Use Policy. © 2021
