

THE CAPITOL

YONGE AT CASTLEFIELD

About The Capitol

The legendary Capitol Theatre returns as an epic new residence. Retaining the original marquee façade, this midtown Toronto landmark builds on its iconic heritage, stepping up its star power with ascending sun-steeped landscaped terraces and an estate-style garden boasting a greenhouse of delights.

Open the door to one, two and three-bedroom residences sized and designed for the grandness of life. Experience indoor and outdoor amenities that exceed your greatest expectations, including a speakeasy-inspired golf simulator and a playroom for kids of every generation. Revel in an abundance of on-site parking, shopping, and dining options.

If all the world's a stage, Act 1 starts at The Capitol.
